Attendance regulation

Our diploma will be held at the campus of Birmingham college of humanities. We offer live streaming options at the same scheduled class time.

Absence

Absence excuses must be sent to the college administration via email:
admin@birminghamcollege.org before or immediately after the absence.

If a student is absent 5 lectures out of the total lectures for one semester without an acceptable excuse approved by the college administration and teacher, they will not be allowed to take the final exam for that semester.

Students should take their attendance seriously in order to fulfil the requirements for continuing at the college and taking the final exam, so they do not miss out on the benefits of attending lectures in person.
